MEIF & YOU

Greetings on the 1500th Birth Anniversary of our beloved Prophet Muhammad (Pbuh). On this blessed occasion, MEIF extends heartfelt wishes to all of you and recommits itself to advancing transformative education and lifelong learning in our community as emphasised by the Prophet(Pbuh).

August was one more eventful month at MEIF. Hassan Chapter of MEIF was formed on 12th August. Workshops on Academic Scholarship, Office records management in educational institutions, School Recognition and Renewal drive were conducted which were resounding success. More such workshops are planned in the coming months.

As you all know through MEIF this year, nearly 200 free seats have been awarded to various deserving meritorious students in different courses like PUC, Degree, Engineering, BDS, BHMS, B Pharma and paramedical courses, sponsored by 21 reputed educational institutions in Mangalore, Bangalore & Shimoga. However the happy news is the first ever free seat in MBBS through MEIF was awarded to Ms. Nafeesathu Zakia daughter of late Hidaythullah Hejamadi, who secured this seat under the Government quota. Her full fee was generously sponsored through MEIF by the E-Gate Foundation, Jokatte who has been supporting us in our various projects and activities. May Allah accept their gesture.

In the meanwhile Mr. Muhammad Shihabuddeen Aboobakkar has been appointed as the Civil Service Training Coach for the MEIF Civil Services Foundation Programme. Mr. Shihabuddeen holds a B.E. in Mechanical Engineering and is currently pursuing his M.Sc. (Environment) at Indira Gandhi National Open University. He brings with him valuable experience in the field of competitive examinations and civil service preparation. This position has been generously sponsored by JAMWA Foundation, Jokatte.

This is the SILVER JUBILEE year for MEIF and various programs & projects are being planned to commemorate this milestone event. MEIF office space is also being extended into the adjacent premises and furnishing of which will start soon. More on these on the coming issues.

Wishing you all a happy festive season that is ahead, filled with good health & happiness.

-Team MEIF
